

# ТРЕКЕР ПРИВЫЧЕК

месяц \_\_\_\_\_

The image shows a circular habit tracker template. It consists of concentric rings and radial segments. The outermost ring is divided into 31 segments, each labeled with a day of the month from 1 to 31. The segments are arranged in a circular pattern, with the numbers 1 through 31 following the flow of the month. The inner rings are divided into smaller segments, likely for tracking specific habits or activities. There are several horizontal lines extending from the left side of the circle, which are likely intended for writing additional notes or details related to the habits being tracked.
